Messages from the Principal's desk

Assalamu alaikum Wa rahmatullahi Wa barakatuhu,

Alhamdulillah with the arrival of spring our days are beginning to warm up and become brighter. We have commenced this year with an excellent partnership between teachers, students and parents with the common goal of maximising success for all students.

MashaAllah we have seen some very positive changes for our college at all campuses. With change comes sacrifice due to necessary adjustments that has to be made. InshaAllah our decisions will always be focused on what is best in the interests of the college and its students.

This term was a very rewarding, educational and exciting one with all the events and activities held. Iftar at Gold Coast and Durack Campuses, District Athletics at Durack Campus, Street Science Presentations at Gold Coast and Durack, Spelling Bee at Gold Coast, Family Fun Day at the Gold Coast Campus and many other small in school programs that offered a variety of learning experiences for our students.

Every day is not only a new day but another meeting with new challenges. I thank my staff and the parents in our school community who have supported the college through the trying times and helped in finding a positive solution and outcome. As always sharing ideas opens us all up to great possibilities. I thank all concerned, for your assistance, cooperation and understanding.

All students have been assessed in class during the final two weeks of this term. As parents we should make sure that our children spend their time productively during the holiday period. During this break comes a very busy period of the year looking at reporting, staffing, timetabling and our school review in preparation for 2015.

I look forward to see your wonderful achievements from the beginning of term 4 through to the end of this academic year, Insha'Allah.

I wish you all a restful break.

FAMILY FUN DAY

Thank you for supporting the College last weekend when we had the Family Fun Day. The weather was excellent and we hope you all enjoyed the day.

It was great to see so much support from our parents, friends and the local community which made the day fun for all. We would like to thank all the volunteers, especially our parents who baked the colourful cupcakes, our lovely Indonesian sisters from the mosque who cooked the sumptuous Indonesian cuisine, the popular henna artist, and friends who contributed in so many ways to make the day a success.

So, if you visited, brought your family, had a stall, cooked, competed in our fun games and events, cleaned up, served or helped or supported us in any other way, please accept this as a personal thank you !

Donut eating race

Sack race is sooo.... Fun

Ready, steady, run

The day ended with awesome fireworks display
