Asalamualaykum,

A very warm welcome to all students and parents and teachers to term 4. It is unbelievable that we are already in week 4 and almost mid-term! It is a short term of nine weeks, but a lot to go through to round up the year; at the same time planning for 2015 is already underway. I will be sending out enrolment continuation forms within the next few weeks. Kindly ensure that you complete the form and return it to the office to secure your child’s place for next year. It is important that we have enrolment information to proceed with class allocations, book lists and uniform orders for next year.

We look forward to the activities planned for this term. We would like to open our doors for parents to meet us and see our classes in progress. Please contact me should you require any further information regarding enrolments and programs for next year.

I thank Staff and students for their enthusiasm and hard work throughout the first three terms it is always a pleasure to visit the classrooms and see such active, involved learning taking place in a variety of ways. My thanks also go to you as parents/guardians for supporting and working with us to achieve our vision and goals. We look forward to another rewarding exciting Term and a successful close to the year 2014. InshaAllah.

Mrs M. Banwa
(Principal)
Qualities not Befitting a Mu’min

The believer is not a taunter, curser, indecent, or an abuser.

(At-Tirmidhi, Al-Bayhaqi)

General Meaning—Allah (swt) tells us to be humble, and to respect others and treat them honourably. Taunting, cursing, abuse, indecency and other evil behaviour is not befitting of a Mu’min. Allah (swt) wants us to be His good servants, and good examples to others.
From Left: Yasamin Lorenz PREP and Rahwa Kelifa YR 2
Hello!

Welcome back to Term 4, 2014 and I can hardly believe that it has come so fast. The students have been working very hard since the beginning of the term.

We are continuing with Show and Tell with students doing a different topic each week. It is amazing to see how confident students have become and it gives me great pleasure to see their enthusiasm and excitement.

Prep students have been subtraction strategies and they seem to be getting the concept of “take away” very well. They are doing very well in writing skills.

Year 1 and 2 students have been enjoying Science lessons. They actually did a little experiment on *Mixing Oil and Water* where they had to make observations and give explanation. We are also working on how to write simple reports. Our little scientists had a lot of fun!!!

Year 2 students are also working very hard with their times table.

The temperatures are soaring and I would like remind all students to **DRINK A LOT OF WATER AND KEEP HYDRATED**

In week 5 students will be doing their assessments and I would like to wish all my students luck and hope they all continue to work hard to achieve their goals.

**World Teachers’ Day - 31 October**

This Friday we celebrated the great work and commitment of our teachers on “World Teachers’ Day”. On this day offers a chance to acknowledge our teachers and say thanks.

*World Teachers’ Day is held internationally on 5 October As the day usually falls*
during school holidays school holidays, Queensland celebrates on the last Friday of October each year. Every day, teachers are making a difference educating and inspiring young learners.

The day is a wonderful opportunity to draw public attention to the important role of teachers in our local communities.

At Buranda Campus we had a shared lunch to mark the day!!!

Day for Daniel
The Day for Daniel is a National Day of Action to raise awareness of child safety, protection and harm prevention. It is about educating children and adults about keeping kids safe through child safety and protection initiatives. Wear Red and Educate is the theme of the Day for Daniel as we strive to have schools, kindergartens, businesses and communities across Australia take action and conduct child safety activities in their local communities to help in ‘Keeping Kids Safe’.

For the day:
Teachers provided students with a red ribbon. On Friday morning we tied a ribbon to the school fence to mark the occasion and in support of this worthy cause.
Students brought gold coin donation and the money raised was contributed to the Daniel Morcombe Foundation.
I would like to support all the parents for their support.

Mrs B. Kumar
(Teacher)
Day for Daniel
AsalamuAlaykum,

First a foremost a big welcome back to all our students, I hope your holidays have refreshed you. A big welcome to our newest students, Layan and Yazeed Almalki, InshAllah your time spent at AIC City Campus will be full of fun and joy!

Enrolment Continuation Form
On the 13th October an ‘Enrolment Continuation Form’ was given out to students. This form needs to be checked over by parents, signed and given back to the office as soon as possible. We would love to see all our students from this year re-attend our campus in 2015, InshAllah. For those not continuing on, I wish you well in your studies for the future and you will be missed by all at City Campus.

SOM October
Congratulations go to Rahwa Kelifa, Yr2 and Yasamin Lorenz, PREP for our October ‘Student of the Month’ awards. Well Done! The next SOM will be on the 24th of November, InshAllah. This one will be our last for the year. However, during the last week of school in December, Sergeant Jim Bellos has agreed to come and help with the ‘Student of the Year’ award. This is a special award that will be chosen by myself and Mrs Kumar and will go to the student who has shown us that they deserve this little extra credit. It will be kept top secret as to who he or she will be. My words of encouragement are to keep up the good work and behaviour standards and you might be chosen!

Readers
I am very proud of all the students this year in the reader programme as everyone is trying there hardest to see how many books that they can complete eloquently. Parents can now see how their children are progressing in their readers, as I have provided a graph (see left) that shows the number of books they have completed until now. So far we have had astounding effort made by Sabekun Naher, Yr2, with having read 52 books and receiving the bronze, silver and gold award thus far. She is not far from gaining the platinum level award. MashAllah, it is rewarding to see students who try their best.
