Alhamdulillah we had a very smooth start to the year. These first few weeks are really important to set the foundation for the challenges that lies ahead, especially the new expectations set before our students in the first week of school.

We were very successful in conveying a strong message to our students, highlighting:

- Our mission statement
- Core Values
- Student responsibilities
- Expectation of excellence
- Behaviour management Policy
- Student handbook

One of the most important components of a good school is the partnership between home and school.

**Information Day**

Our college information day will be held on Thursday 26th February. Please refer to the flyer sent out with your child. This will be a wonderful opportunity to discuss and become familiar with the years program. Teachers will be providing you with information regarding the subjects and an outline of the syllabus to be covered. Information about proposed excursions, extracurricular activities and other activities will also be highlighted. This will be a wonderful opportunity for you to ask questions about any concerns you might have. InshaAllah we hope to see all parents attend our information day.

I look forward to meeting you and invite you to contact the school whenever you wish. There are many opportunities for you to be involved in the life of the school and I urge you to make the most of them. These include: attending all school functions, coming to parent-teacher evenings; helping with working bees; being a classroom volunteer, helping with class reading programs, excursions etc.

Like you, we want your child to achieve his/her best – if we can work together.

I wish all students and families a fulfilling and successful 2015 and I look forward to meeting with you all during the course of the year.

Mariam Banwa
Fatima Zulfiqar (Y1)
For doing so well in all areas of learning. Keep up with the good work.

Layth Muthanna (Y3)
For displaying very good classroom behaviour and performing so well in all math tests.
Almost the first month of school has passed already! I am very mindful that we are virtually in the middle of term 1 and I am really proud to say that we have had a great start.

The students are engaged in home reading which a wonderful component of the reading program. We hope to develop and reinforce the reading skills the students require to become independent readers.

The much awaited program is back! Show and Tell. I was really impressed to see with what excitement and enthusiasm the students were waiting for it. So it is all underway and I wish to see the confidence develop as the weeks go by.

Our Year 3 students are working very hard for Naplan and I really admire their dedication. Keep up with the good work!

It is admirable at the beginning of the term to hear of students’ motivation to achieve goals personally and academically and we will support them in every way to achieve those goals.

I would like to thank all the parents and caregivers for their support in the wonderful start of the new term. All the students are following the school uniform policy and finally I would like to emphasise on the importance of school rules to all the students.
Enjoy the rest of the term!

Bandhana Kumar
Teacher
Show and Tell
My name is Kaniz Fatema and I am a new Administrative Officer and Teacher Aid at Australian International Islamic College, City campus. From my last two weeks experience here in this city campus I found that the atmosphere in this school is phenomenal. Education system is great here. Teachers and Imam are well qualified. Every student is well taken care off and gets the equal attention in the school. Children are well mannered. We appreciate all the respected parents’ ongoing support and co-operation.

If any parents has any queries or concern about the school and their children please don’t hesitate to contact me.

Thank You.

Students farewell Miss Harris. She is at Durack Campus now.
