This week we hit the half way point to Term 2. This is an important time for learning and assessments. Semester tests will be conducted over the next few weeks and in just five weeks our students will have completed half of the years’ work.

**NAPLAN**

Last week our students of 3, 5, 7, 9, sat the NAPLAN tests and Alhamdulillah they approached the tests very confidently. I thank our parents and teachers for supporting our children during this stressful period. Thank you to all students for trying your very best and Insha’Allah we hope for positive outcomes.

**Family Fun Night**

This Saturday was our annual Family Fun Night. This is a very popular event each year. It was well supported by the community. I thank all those who attended and helped make this event a very successful one.

**Ayah of the Week**

"O mankind! We created you from a single (pair) of male and female, and made you into nations and tribes, that you may know and cooperate with one another."

- (Quran 49:13)
Dear Parents and Caregivers

It is half way through the term and we are very fast getting closer to the end of the term.

**NAPLAN**

Our Year 3 students have done the NAPLAN testing. We have worked very hard with our students to ensure that they have been made familiar with the format and time constraints of the Language Conventions, Reading and Numeracy tests. Most importantly, we have prepared our students for these tests with our continued focus on the teaching of literacy and numeracy from the National Curriculum.

**SCHOOL UNIFORMS**

Our students wear school uniforms with pride. As we move into the cooler months, please ensure that your child has a school jumper. We will continue to remind students of the correct uniform and ask parents to support us by providing the correct uniform for students to wear.

We encourage all our students to read with a loved one for 10 minutes each day. I hope the month of May will fill your household with many hours of delight, as you experience the pleasures and benefits of reading every day!

Also to mark this special month, the students of AIIC City Campus visited the City Library and Scholastic Book Fair at Durack Campus.

WALK SAFELY TO SCHOOL DAY

On Tuesday, 19 May our students participated in the Walk Safely to School. The students were explained the importance of safe pedestrian behaviour, health benefits of walking, holding an adult’s hand while crossing and knowing and learning vital road crossing skills as they become mature pedestrians.

In the name of Allah, the most merciful and the most gracious.

May Allah grant all of us the beneficial knowledge and help us to act on that knowledge ameen.

Ramadan, the month of blessings and piety, is fast approaching to us and it is high time for each and everyone of us to prepare ourselves for this holy month both physically and spiritually. Ramadan is not only the month of fasting and night prayers but it is the month that witnessed the beginning of the revolution of divine knowledge through Quran that paved the way for a new era of righteousness and god consciousness. It is incumbent upon us as an educational institution community to understand the importance of this month in the spiritual upbringing of our new generation and keeping them always proud of their religious identity and provisions.

**Allah says in the holy Quran**

يا أيها الذين آمنوا كتب عليكم الصيام كما كتب علي الذين من قبلكم لعلكم تتقون

Oh you who believe; fasting is made compulsory upon you as it was on the previous nations; in order for you to be god conscious.

The whole purpose of the fasting and the related physical 'disciplinary' measures is to tame the unending physical ambitions and lusts of the human kind and to reestablish the rusted connection of our souls to its master, Allah. The best way for this return is through acquiring the right knowledge and remembering the Lord through his kalam. Let Quran be with us throughout our lives, in front of us leading us through the modern 'darkness' and behind us to back us to our eternal success. Please take this pledge this Ramadan and make this holy month a witness for you and never against you.

The Messenger of Allaah (sallAllaahu alayhi wa sallam) said:

Who ever visits a sick person who has not reached his appointed time, then says for him below supplication seven times (in Arabic), except that Allaah cures him.

أَسْأَلُ اللَّهِ الْعَظِيمَ رَبَّ الْعَرْشِ الْعَظِيمِ أَنْ يُشْفِيكَ
