Principal’s Message

As we reach the end of a busy and successful term, I wish to thank all families of AIIC for their continuous support. These two weeks will be a good opportunity for students to reflect on what they have achieved so far and start planning for Term 4.

Our staff have been focusing on Literacy and Numeracy for the past three terms and have worked diligently in assisting students achieve the best they can. Our teachers have prepared students very well for the NAPLAN Tests and therefore we have received promising and outstanding results. A significant improvement in student outcomes is evident. The Year 12 students have successfully completed the QCS tests. Secondary students will receive their interim reports by post, and primary students will receive their student portfolios.

I would also like to thank all parents for their continuous support in assisting us to enforce the uniform policy. Almost 90% of our students are compliant and come neatly attired to the college.

This term has been a busy but very productive term. I would like to extend a big thank you to all our staff that made this term so successful.

I wish you all an enjoyable vacation and we look forward to seeing everyone eager and ready for the last term of the year.

Mariam Banwa

What a wonderful time we have had, learning numbers and letters. We are almost finished the alphabet and we know our numbers up to 13.

We have explored, investigated and developed our skills in learning literacy and numeracy. We enjoyed the Premiere Reading Challenge and read up to 100 books within a set time frame. Soon our Kindergarteners will graduate and go to big school with all the other girls and boys in A.I.I.C.

We had lots of fun on Drama Day! We were not shy when we went up on stage to sing our rainbow song and our Arabic song. Ms Saphena baked us a special rainbow cake to go with our song and we loved it!

On the holidays we will practice everything we have learned so far and our mums and dads will help with that inshallah.

Next we are off to the Botanical Gardens to enjoy the sunshine and explore plant life for our sustainability unit. We enjoyed our dramatic play corners of ‘The Florist’ and ‘The Salon’. We eventually turned our florist into a coffee store and that’s the beauty of our play. We have also been learning about Hajj. We can’t wait to celebrate Eid with our families and friends.

Mrs Khan
CITY CAMPUS HAJJ EXPERIENCE

On the 11th of September, students of the City campus were given an opportunity to experience the performance of Hajj. A brief explanation of the five pillars of Islam and where Hajj fits into the five were given. Students were also informed that Hajj is a once in a lifetime obligation that should be performed by Muslims who have the physical and financial ability to carry out the journey.

The story of Prophet Ibrahim AS and the sacrifices that he made were informed to the children. Students also heard the story of Hajarah AS and how she ran between both Safa and Marwah in search of water for her son Ismail AS. A model of the Kabah was made where students had the opportunity to learn how to make Tawaf around the Kabah. Yazid Almalki of Year 2 wore the Ihram, the holy clothing worn by men during the days of Hajj.

In brief, students were taught the days of Hajj and the rituals that are to be completed during the days. Students learnt that the purpose of Hajj is to bring about good changes into a person’s life when returning back home from the journey.

Our students really enjoyed their Hajj experience and asked many questions regarding the rituals of Hajj. Carrying out a practical Hajj experience has allowed our students to learn more about the pillar of Islam.

Imam Ahmed Azhari
Australian International Islamic College

in conjunction with
Darul Uloom Islamic Academy of Brisbane
&
Durack Islamic Centre
invites all Muslims to perform
