

## From the Principal's desk

### *Assalamu Alaikum Warahmatullahi Wabarakatuhu*

Dear Parents/Carers,

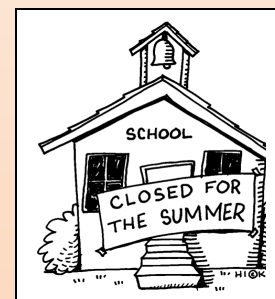

As 2016 closes, I would like to take this opportunity to thank every staff member of all 3 campuses for their active engagement over the year. There has been many opportunities for our students to be actively involved in their learning, through varied class room activities, excursions, academic competitions and educational activities. I am sure that you would have seen this through the pages of our 2016 edition of the year book.

I am thankful that teachers, past and present who have sought to meet many challenges by establishing, developing and implementing a rigorous curriculum, and that our parents have placed much faith and trust in the school. Our strong results confirm that we are in the right direction and are a big morale booster, both for the school, and for our parents and students. We have worked on our curriculum and processes to enhance the school experience of our students during the past 3 years. Over the last few months, our teachers and the school management have had several conversations on ways that the school can improve beyond this. Greater emphasis will be placed at all levels to

build up our students' capacity beyond just the academic areas. Leadership and organizational skills will feature strongly in their co-curricular education. In a world that is becoming increasingly inter-connected through technologies, we believe that such competencies will put our students in good stead.

I would like to place on record my sincere thanks and appreciation to all parents for their ongoing support through the year and I look forward to your continued support next year InshaAllah. I encourage you to explore our website and school calendar. By doing so you will be able to stay up to date with the scheduled activities.

I would like to wish all our staff, teachers and families a safe, relaxing and rejuvenating holiday. I look forward to welcoming you back for the start of the 2017 school year.

With warmest wishes,

Mariam Banwa  
Principal
