Dear Parents

Assalamu Alaikum Wa Rahmatullahi Wa Barakatuhu

This term has been a very busy one at all three campuses.

Students, parents and teachers have developed a strong commitment to teamwork which has contributed to the learning culture at AIIC.

Students must be commended on their exemplary behavior and for taking responsibility for their learning. The College supports programs to promote the health and well being of all our students.

The introduction of our extra-curricular program on Fridays has also added a balanced to the education of our students. Some benefits are:

- It raises self-esteem
- It builds team relationships
- It strengthens their social relationships

Next term commences on Monday 11th April 2016. I request parents to please ensure that their child is dropped off on time (8:15 am for 8:30 am start of assembly), and also be picked up by 3:30 pm at the latest.

I would also discourage parents to take term time leave for their children for holiday purposes. I encourage students to be focused and fully-engaged in their work in order to perform at their optimum.

I look forward to a productive term 2 and would like to advise my students to use their time wisely and to prepare and revise so that there is no sense of panic next term.

I wish you and your families an enjoyable break together. Please let your families and friends know that we are always keen to welcome new students and families into our college community.

Have a safe and happy holiday.

Mariam Banwa,
Assalamu alaikum,

Dear parents,

It has been a great start to the Year and our first term of school. We have met our new teacher Mrs Rogers and settled into our new classroom. We have learnt so much about our new responsibilities of being a Year 1 student. We started our learning with an exciting topic studies on “WELLNESS”. We explored that Wellness has many aspects that are essential to a balanced life. Check out some of our learning below:

As part of our “WELLNESS” topic, we learnt to keep safe. So guess who came to see us? Ditto came to visit us with the Braveheart team and told us all about it.

Enjoy the holiday everyone
WHAT’S GOING ON IN HIGH SCHOOL ?

It has been a busy term with the secondary students and myself getting to know each other.

They have completed a large amount of work and the standard is improving day by day.

The emphasis has been on building routines and understanding expectations. I am pleased to say that all students are beginning to understand the importance of giving each task their best effort.

This term we had the opportunity of visiting the Numinbah Environmental Centre. The students had the wonderful experience of interacting with some of Australian’s amazing wildlife.

I am looking forward to a wonderful term 2 with much hard ....but fun work happening.

Students........have a safe and relaxing break. See you fit, healthy and ready to learn next term.

HARMONY DAY 2016

Harmony Day is always a colourful day as our students came dressed in their national costumes. Thank you to parents for taking time off from your busy schedules to join us in celebrating this joyous event and not to mention the sumptuous food you brought to share.

We are pleased to inform that there are 26 nationals in our College.
