

Australian International Islamic College 2017 Resource Hire Scheme

Dear Parent

Assalamu Alaikum Warahmatullahi Wabarakatuhu

We have approached the end of the school year, a time for many new-year plans and preparations, including the 2017 school book purchases.

Parents are to pay the resource hire fee and your child will be issued with all the required text books, stationery and work books from the library.

Textbooks are borrowed from the library and returned to the college at the end of the year to be maintained in very good condition, failure to do so will incur extra charges.

Below is the amount payable for each year level which must be paid before the school start date **Monday 23rd January 2017**. ***This amount is non-refundable.***
