ENROLMENT POLICY

The Australian International Islamic College offers an Islamic based education. The College expects that all students participate fully in both curricular and religious education.

Prospective students and parents are welcome to enroll at the College through the administration. The College organizes Open Days throughout the year, where parents and students can meet with the College’s principal and staff members.

Submission of an Enrolment Form does not automatically constitute an enrolment, nor does it imply automatic right of acceptance.

Enrolment at the College implies the acceptance of the College’s policies that are available on the College’s website.

ENROLMENT PROCEDURE

General enrolment enquiries must be made through the school’s administration officer who can be contacted on (07) 3391 7867. Throughout the year all new students must be enrolled by appointment.

Students enrolling from another school must obtain an official transfer from their previous school. We will contact the previous school for background information to help us plan for the student’s success. All students and parents/guardians must complete the official enrolment form and sign the Contractual Agreement Form. Please read through the Contractual Agreement Form with your child as there are several agreements that relate to the wearing of the school uniform and behavior.

Please bring the following information to the interview:

- $100 non-refundable application fee
