Principal’s Message

Dear Students,

To borrow from the QANTAS airline slogan – “You’re the reason we fly!” I would like to say that “You’re the reason I have been here for the last 2 plus years!”

I hope my presence has made a difference to your lives – but only time will tell as you grow into the fine young men and women that I hope you will become.

Goodbye

Dr Barrett

Alhamdulillah we have reached the end of another successful year at the Australian International Islamic College. This year has been very challenging and fulfilling. It is most pleasing to note that this successful year is due to the tireless efforts of the administration, teachers and staff members. A special thank you to the members of the College Board, parents and students. Our students have progressed well through the year and we hope Insha-Allah to see better outcomes in the coming years, Insha-Allah.

Next year brings with it new challenges and new opportunities. I am confident that the college is well positioned to accept these challenges, thus ensuring a continuation of excellence in education. I wish to once again acknowledge and emphasize the participation and involvement of parents, both at school and at home. This is a vital link between home and school which cannot be over emphasized.

I welcome all our new families that have enrolled for next year and I wish all students who are leaving us at the end of this year the very best in their future studies.

A big thank you to our principal Dr Ray Barrett for his support and contributions made to the college. I was very fortunate to have worked with such an experienced principal. We wish him well for the future.

I thank you all for your cooperation and support and I look forward to working with you next year, Insha-Allah.

I take this opportunity to wish you all a safe and enjoyable holiday. All the best for the coming year, Insha-Allah!
