Dear Student,

Re: Behaviour Contract

The following set of behaviours are expected when entering and utilising the library. Please sign and date this form and return directly to Mrs. Mohammed, in the library. This agreement as well as the general library agreement form must be signed before entry into the library will be permitted. Once your form has been received, your name will be placed on a database and checked off upon entry.

*Please understand, that due to a few severe cases of rude and disrespectful behaviour from some senior students last year, Miss Harris and I will be very selective with who will be permitted into the library. We will only allow a specific number of students in to the library at a time and will require a verbal explanation of what you will be using the library for, before entering. This will continue, until we are satisfied that students can conduct themselves responsibly and use the library in an orderly manner, upon which time, the library will be open for students to use freely.

Library Rules and Expectations:

No mobile phones – they will be confiscated if seen
No music or headphones
No bags inside the library
No food or drinks

I understand that continual disrespect/misbehaviour will result in my name and year level being recorded and form teacher contacted for an appropriate course of action for my misconduct.

If asked to change my behaviour, I will do so immediately.

I understand that if I do not change my behaviour after the first warning – I can and will be asked to leave the premises.

I understand that extremely disrespectful behaviour, sarcasm, rudeness, swearing, fighting etc will not be tolerated and I may be excluded from the library. My form teacher, Dr. Islam and my parents may be contacted.

I will use a quiet voice when engaging in group work
I will not use the library to socialise with peers as the space does not allow for social gatherings
I will not damage library/school furniture or books
I will clear my work area before leaving or logging off computers
I will push my chair in before leaving
I will not run in the library or jump on or over furniture
I will not 'hide' in the shelf isles for any reason

Above all, I will be respectful and courteous to all teachers and staff within the library at all times. I will follow Miss Harris' and Mrs Mohammed's requests promptly and not engage with them or others in a rude, sarcastic, loud or disrespectful manner. I recognise that consequences will be strictly enforced and will conduct myself in a way that is becoming of a young adult.
