POLICY

The Australian International Islamic College lockdown policy applies when students and staff need to be locked within buildings for their own safety. This will usually occur if there is a dangerous intruder on school grounds, but may also occur in some circumstances in the event of a hazardous situation such as a chemical spill, snake, stray animal or a nearby hazard such as a fire, which makes it dangerous for students, staff and visitors to be outside.

Copies of this policy will be disseminated via the school and staff handbooks and via notices in the library and other appropriate areas around the school.

The Principal, or another member of school staff designated by the Principal, will schedule at least one practice lockdown drill per semester and will be responsible to ensure all staff members are clear about the procedure before the practice drill takes place.

Teachers will remind students of the lockdown procedure during the **first form class lesson each semester.**

PROCEDURE

In the event of an emergency, the Principal will make the decision with regard to whether the campus needs to be locked-down.

If the decision is made to lockdown:

- A tone will be played continuously to signal a lockdown (Ayatul Kursi)
- The school has a public address system which will be activated **if appropriate** and the following announcement *may* be given by the front office administrator:

Activate lock down procedures immediately.

*All students, staff, and registered guests please proceed to the nearest classroom.
Staff, secure your rooms and students.*

REPEAT: Activate lock down procedures immediately. All students, staff, and registered guests please proceed to the nearest classroom.

NOTE- It may not be possible to make a public address- the signal for a lockdown is the playing of the Ayatul Kursi

LOCKDOWN PROCEDURES

1. In the event of a building lockdown, it is mandatory that all students and adults remain in the classroom. Students and adults who are in the hallway are to move into the closest occupied classroom.
2. Staff members who are not teaching at the start of lockdown should go to the nearest classroom (or remain in staffrooms);
3. Staff, should check hallways for students and direct them to the nearest classroom
4. Lock all doors
5. Position students against the door wall in the most non-visible corner, seated.
6. Do **not** allow students to use the classroom phone if there is one available.
7. Remind students and adults to remain quiet
8. Remain in this position until "all clear" is announced, once all clear mark a roll and contact office for students not accounted for
9. Contact parents about the time and place to pick up their child.
10. Students who are out of class should be taken into the nearest classroom

FOR PARENTS

Once a lock-down situation is declared. Parents will be notified as soon as it is practical to do so. However, parents are requested not to come to the school, as **students will not be released to parents during lock down**. Parents are also asked not to call the school as this

may tie up emergency lines that must remain open. Parents should not expect their child to call them, nor should they call student mobiles, as the lock down situation requires silence. If your child's stay at school is extended beyond the regular time, you will receive information about the time and place that you can pick up your child.

Please be assured in the event of lock down that **the only consideration for the school is the safety and well-being of your child.**

INTRUDER PROCEDURES

From time to time, staff may become aware of an intruder in the school grounds, or may need to confront someone who does not appear to have any legitimate reason for being on campus. In such a case, you should use the following procedure:

1. Notify the Office
2. Only confront the person if it is safe to do so. If possible, 2 staff should approach
3. Determine who will initiate contact with the intruder and who will be the back-up person.
4. Attempt to direct the intruder to the main office. Use casual conversation or body language to calmly direct the situation.
5. If the intruder refuses to cooperate, do not escalate the situation. Leave and call the police.
6. If the intruder shows a weapon, assure him/her that it is not necessary for him/her to consider using the weapon.
 - a. Back away slowly and leave the area.
 - b. Both of your hands should be up with your palms facing the intruder while slowly backing away.
7. As soon as it is safe to do so, report the situation to the Principal.
