

Dear Parent/Carer,

January 2023

Assalamualaikum

Requirements for High School Uniform.

Following up on our letter sent in November, this letter is to help inform you of the changes to the High School Uniform and to ensure that you are aware of the new requirements.

The change is being introduced to improve the current standard of uniform being worn by students in the school, and to ensure that we have a cost effective, smart uniform that is a representation of the high standards we uphold.

We are introducing standardised secondary school shirts, ties for boys and breathable fabrics. The formal shirts will have the AICC logo embroidered at the pocket.

We are keen to minimise expense for our students who only have a limited amount of time left at the school, therefore we are not expecting our year 12 students (2024), to change to the new uniform. However, all male students including year 12, will be required to wear the school tie.

The summary below are the changes we are implementing:

- Year 7, 8, 9, 10 and 11 students will move fully into the new uniform in January 2024.
- We will introduce standardised school trousers for boys and long skirts for girls, embossed with the school logo
- New school Jumpers will be released in term 2
- Year 12 students in January do not have to change to the new uniform. However year 12 Boys will be required to wear the tie.
- **Head Scarf for girls** will be a Navy Blue with school logo- Unfortunately will be only available from **Mid-February** - in the meantime girls may wear the current white school Hijab
- **Special order uniforms:** Please leave your details with School Locker if your child needs a size of uniform that is not available - a special order will be made, in the meantime please write to the Head of Secondary to inform her of the order. Students may wear 2023 uniforms until the order is delivered.

The new uniforms are now available only through School Locker. We recommend that parents purchase the new uniform from now. I hope the notice of this new requirement will enable you to plan your uniform purchases for the new academic year.

Thank you in advance for your co-operation in this matter and for your support for the standards we wish to uphold as a school.

Yours sincerely,

Mohsin Khan
