YEAR 12	\$25.00	\$80.00		\$105.00
Year 12 Graduation fee \$150 per student				

Important Information for Families

At AIIC, we are committed to keeping our families well-informed about school fees and related processes. Please take note of the following points:

Excursions and Optional Activities: Special excursions/incursions, non-compulsory subject items, and other optional activities may have additional charges. These will only apply if you agree for your child to participate. Please note these charges are non-refundable.

Building Levy: A compulsory building levy of **\$200 per family** applies each year. This contribution directly supports the development and upkeep of our facilities, ensuring every student enjoys a safe, modern, and well-equipped learning environment.

Student Withdrawals: If a student is withdrawn during the current term, that term's fees remain payable. However, no fees will apply for the following term provided the college is notified before the end of the current term. A departure form must be completed, and all outstanding fees cleared before the school report can be released.

Unpaid Fees Policy: We encourage families to communicate with us early if difficulties arise. Please be aware that legal action may be taken for unpaid fees, including failed direct debits. In such cases, debts may be referred to a collection agency and recorded as a credit default, which may affect enrolment. Centrepay deductions also stop automatically once a student leaves the school.

Payment Options: To make things easier, AIIC offers several payment methods:

- Centrelink deductions
 - Annual or termly payments via direct debit, credit card, bank transfer, BPOINT, or cash.
- Please remember to use your parent code as a reference for all payments.

Fee Adjustments: The college reserves the right to update fees, terms, and conditions as needed. Any changes will be communicated to families.

Invoices and Statements

- An invoice will be issued at the beginning of each year.
- Statements of your account will be available regularly through the AIIC app (downloadable from iOS and Google Play).
- Term fees must be cleared by the end of each term.
- Bus fees are payable in advance, before the service begins.
